from the PDF instead of monthly  
mission partner

### **Alternatives if needed:**

Archway Housing  
Disaster Relief

## **Factors for Consideration**

- \* Current congregational involvement through volunteer engagement
- \* History of support, with evidence that the congregation has been willing to give
- \* Small enough organization that our money makes a difference
- \* The organization will commit to speakers in worship
- \* Among the groups chosen, a mix of advocacy and service
- \* A UCC connection
